Letter No 404 dated 7th December 1903 from the Supdt, Govt Printing, requesting sanction to an additional allotment of Rs 1000/- for payment to piece-workers, for printing the Mysore Law Reports

In para 3 of Govt Progs No 1990-93 dated 9th June J.F. 16 & 99 1903, it was ordered that the Law Reports should be printed as Govt Publications by the Supdt. Govt Press.

With reference to the above, the Supdt now states that the work will be a heavy addition to the Central Press and could not be executed without an extra allotment or that the work is calculated to amount to two thousand pages for the year, and the

The reports of several years are under compilation that of the ~~current~~ year 1903 viz D. Venkatramaiya & the others by the Rajavatara Mandir all these have to be printed and issued as early as possible. Already there has been considerable & unavoidable delay. The Govt Press has heavy work to do & cannot be expected to cope satisfactorily with this additional work. Other & equally important work with Index of the Printing of Law Reports is entrusted to the Govt Press. After all, the Govt is unable to do this without asking for a special grant. All things considered, I am of opinion that the best we can secure be to get the Law Reports printed as in past years at a Private Press - The cost will I think be more than recovered by the sale proceeds of the Reports. - ll

A despatch put up.
There are two points to be cleared up.

1) Who is to arrange for the printing of the reports at a private press?
I presume the Supt. Govt. Press, after receipt of the MSS from the Law Reporter — the Registrar.

2) Who is to sell the copies?
Not the Law Reporter, ~~[illegible]~~.
evidently. After distribution of Copies among Govt. offices, Courts &c, the Registrar may be asked to send the remaining copies to the Kavalis, for Book Depôts for sale to the public.

I have added instructions on both points in the draft-order.

Sir,

With reference to Government Proceedings No. 1990-93 / J.716 of 99 dated 9th June 1903, I have the honor to state that on receipt of manuscripts from the Chief Court of the Law Report, I find that the work will be a heavy addition to the Central Press and could not be executed without an extra allotment of staff. The work, it is calculated, will amount to about two thousand pages for the year. The Chief Court is also getting up three

work hitherto done by a private Press on payment. I beg therefore that the Government may be pleased to accord sanction for an additional allotment of Rs: 100 0 to meet the cost of the Piece Workers, such amount being debitable to the Chief Court
